### Extracts from Public Statutes of New Hampshire

---

The County Convention shall consist of the representatives of the towns of the county. They shall meet on the second Wednesday of each biennial session of the General Court or other day in the same week, shall choose a chairman and clerk, and may adjourn as they see cause.

The County Commissioners and Treasurer shall furnish the Auditors all the aid and information required by them in the performance of their duties.

The County Convention shall, during each biennial session of the Legislature, grant county taxes for its county for two years; but the tax for each year shall be voted separately and collected in the year for which it was voted.

The Sheriff, the Jailers, the Physicians, the Clerk of the Court, the Solicitor, the Treasurer, the County Commissioners, and the Superintendent of the County Farm, of each county, shall make up their report separately, to December thirty-first annually, and the same shall be printed together in pamphlet form, in the month of January following.

The reports of the several officers named shall contain a summarized account of all their transactions, which concern the county, for the current year ending aforesaid, and the report of the Superintendent of the County Farm shall contain, in addition, a list of the paupers actually supported at the Farm, a statement of the number of weeks each was so supported, and the average cost per week for each pauper, with the explanation of the basis upon which such calculation was made.

The County Commissioners of each county shall publish attested copies of the proceedings of the County Conventions, with the printed reports of the county officers for the year in which such proceedings occurred.

WILLIAM J. CATER,

*Committee.*

The delegation was called to order by Chairman Foss. On motion of Mr. Baker, of Exeter, the recommendations of Committee were adopted. Mr. Baker, of Exeter, as Secretary for the Special Committee to look into needs of the almshouse at Brentwood submitted the following report.

---

BRENTWOOD, N. H., January 31, 1913.

*To the Rockingham County Delegation:*

We, the undersigned members of the Committee, instructed by you to make inspection and report on needs of the almshouse at Brentwood, report as follows:

We find that the main building erected about 45 years ago is now inadequate, unsanitary, difficult to heat, and is a fire trap, which constantly endangers the lives of the many old and feeble inmates. If retained, many expensive repairs will very soon have to be made, and if made, the building then will still be unfit and unwholesome.

The brick asylum building has considerable value, and with the outlay of only a moderate sum can be remodeled into a very excellent infirmary. The jail, large barn and stable are excellent, and appear to be entirely satisfactory. The premises are well kept and the land and stock are in splendid condition. The recommendation of your committee is that immediate action be taken for the erection of a two-story brick main building to be used for alms department, together with administration building for the management, a cook house and creamery and for the remodeling of the asylum building. It is the opinion of your committee that not a day should be needlessly lost in beginning the new construction so vitally needed.

Nothing that we can say will too strongly emphasize our

conviction that the improvements we recommend are most urgently needed.

Signed,

CHARLES B. WHEELER, *Chairman*,  
DANIEL M. EVANS,  
J. L. SCHURMAN,  
DANA W. BAKER, *Secretary*.

---

Plans for proposed new buildings were submitted by Commissioner Hodgdon. Dr. Mitchell talked at some length on the necessity of the improvements.

On motion of Dr. Morse it was voted that the report of committee be accepted and adopted.

On motion of Dr. Morse it was voted that no action be taken at this time in regard to appropriations for proposed improvements at County Farm.

On motion of Dr. Morse it was voted to adjourn to call of chair.

Chairman Foss stated that the meeting was called for the purpose of taking some action on the recommendations made by the Committee relating to the subject of erecting new buildings to properly house the inmates and the management of the County Institution at Brentwood.

The estimated cost of buildings and improvements recom-

mended is one hundred and twenty-five thousand dollars, and would have to be raised by an issue of bonds.

After considerable discussion it was voted on motion of Mr. Wheeler that the matter be indefinitely postponed, the vote on roll call being 20 to 12.

Voted to adjourn.

House bill, No. 248, introduced by Mr. Philbrick, of Portsmouth, calling for increase of salary of county treasurer, and referred to this delegation, was next taken up. The bill calls for an increase of salary from three hundred a year to five hundred. It was voted to amend bill, so that said county shall pay cost of treasurer's bond. It was voted that the bill as amended ought to pass.

House bill, No. 415, relating to county solicitor's salary was laid on the table for further consideration.

EDGAR C. HOAGUE, *Clerk pro tem*.

of considering house bill, No. 415, relating to the salary of county solicitor.

## Commissioners' Report

---

The Commissioners of Rockingham County submit their annual report for the year ending December 31, 1913, together with the reports of the Superintendent of the County Farm and other County Officers.

The management of the County Institution at Brentwood under Mr. and Mrs. Trottier and their able assistants has been all that could be desired.

The care of the sick is still under the efficient management of Dr. Mitchell and his able assistant, Miss McBirnie, in whom we have the uttermost confidence.

There have been extensive improvements at the Farm during the year. The brick buildings formerly used for the insane have been changed to a splendid hospital for the old men and women; in fact, your commissioners feel they have a pardonable pride in the change, and we extend a cordial invitation to taxpayers to visit and see for themselves. We have built a new kitchen in the rear of the main house, which has filled a long-needed want, in removing the steam boilers from the main building.

We have increased and improved the stock to such an extent that we now have one of the best herds in the State.

Our outside poor need careful attention, and in many cases we are able to support off the Farm. Yet we think that at the Farm they are better cared for than in some of their own homes.

One of the hardest problems is the care of the children, which some of our foreign population think they can desert at any time. This department costs the County about five thousand dollars each year.

Another factor is compulsory educational laws, enacted by our last legislature, prohibiting any one from working before they are sixteen years of age, and prohibiting any one

from working over a certain number of hours before they are twenty-one years of age. There are men who have families to support before they are that age.

The change in the law by the last legislature, sending all prisoners for minor offenses to the County Farm, has been quite a saving to the County.

We wish to thank all Town Officers for their assistance, and again invite all taxpayers in the County to visit the Farm, that they may become more familiar with the work of the Commissioners.

N. H. BEANE,  
W. A. HODGDON,  
G. A. CARLISLE,

## Physician's Report

---

EPPING, N. H., January 1, 1914.

*To the Honorable Board of Commissioners of Rockingham County:*

*Gentlemen:*—Again according to an ancient and good custom, it is my duty to report to you the vital statistics, sanitary condition and needs of the county institution at Brentwood.

No epidemic of a serious nature has visited us, but there has been fully the usual amount of sick and feeble patients, requiring constant care and nursing, and several have been surgical cases. There have been five births and 25 deaths.

The hope expressed in my last report that the delegation of 1913 would this year be added to those who have heard and responded to the cry of the poor and the orphan was realized in part by an appropriation for rebuilding the asylum to serve as a nursery and hospital and for building a separate building to take the bake-shop from beneath the asylum, and the steaming kettles from the basement of the almshouse.

We believe the need and wisdom of these changes will be evident to everyone who investigates, thinks and remembers the Golden Rule. We also believe that a new almshouse and an administration building, so badly needed, will soon be provided for. I will only mention, as an added argument, that during a recent cold period the women on the north side of the building had to be moved into the chapel, and that the temperature in the family dining room was below at noon.

The transformation of the asylum into a modern hospital, my heart's desire and day dream for years, will soon be completed.

I would express to the delegates, who made it possible, my satisfaction and appreciation, and to the board of Commis-

sioners my great pleasure at their achievement. I would thank them for their willingness to consider and incorporate many of my views and suggestions.

The four large and cheerful sun-rooms, which were added in front, must be seen to be appreciated. The heat and light seem ample. The hard finished walls, solid doors, without a crack or moulding to catch dust and germs, the splendid ventilation, with plenty of windows, will make the hospital cheerful, comfortable, and sanitary, as indeed a hospital should be.

The value of sterilizing and operating rooms depend chiefly on their equipment, yet to be installed.

The dining rooms for children and patients and the nurses' room with private bath are entirely satisfactory.

So far the whole plant is more modern, convenient and better than we dared expect. Long may it stand a monument to its builders and a joy to its users.

This building and rebuilding has thrown an unusual amount of extra work upon the board, the superintendent, the matron, and body of efficient assistants, which has been generously and cheerfully born. The inmates, too, have endured the unavoidable crowding and inconvenience with good nature and patience.

The only thing to be regretted was the accident, resulting in the death of Mr. Stacy and the injury of two helpers.

Personally, we are, as before, indebted to the entire administration for courtesies and hearty co-operation.

Respectfully submitted,

A. W. MITCHELL, M.D.

## Chaplain's Report

---

*To the Honorable Board of Commissioners of Rockingham County:*

*Gentlemen:*—As chaplain of Rockingham County almshouse and house of correction I hereby submit to you my first annual report. During the past year we have held services on the second and fourth Sundays of the month; number of services held, 20.

We have been assisted at the service by Mrs. Parshley as organist, and Mrs. Sables, in the singing. On June 22 Rev. Mr. Delzell, of Brentwood, preached a very interesting sermon, and on December 28th the children of the Baptist Sunday school, assisted by Mrs. Sleeper, gave a Christmas concert, followed by an appropriate address by Rev. Dr. Pike, of Brentwood, which was appreciated by all.

Besides the regular services in the chapel the chaplain has made weekly visits, calling on the inmates, especially the sick.

Respectfully submitted,

REV. C. W. SABLES, *Chaplain.*
